## **Genesis Update**

Check Out Our New YouTube Channel!

We understand how difficult it can be for parents to talk to their kids about God. As adults, we know a little more about who Jesus is and what He's done for us. But how do we talk about these big topics such as salvation, Jesus, and the gospel and make it 'kid friendly'? Tough question, we know, but it's possible! And we hope that these short videos will help. The purpose of this new channel is to help break down the bible for your children, but ALSO make the conversation a little easier to have for the parent.

What to expect: Bible story in 'kid friendly' words, some art that the children are more than welcome to recreate at home, and questions at the end that the parents/guardians and kids can answer together.
